

“I NOW HAVE NEW TECHNIQUES TO DEAL WITH ANY SITUATION. A BOX OF TOOLS I CAN TAP IN TO ANYTIME”

INTRODUCTION TO **LEADERSHIP & LIFE WITH INTEGRITY**

How do you lead others? How do you lead change? Delivery? How do you lead yourself? Others? What does your leadership look like to others in your organisation? What flexibility do you need in your approach to understand and influence others with integrity?

We think it's important that people lead with integrity and this is fundamental to our approach to this day and the professional leadership programmes we have run for over 12 years.

Introduction to Leadership and Life with Integrity is a stand-alone day that will give leaders, managers and emerging leadership talent an opportunity to explore and develop their own and others' approach of leading in their worlds. It is also the first day of our **Leadership and life with Integrity** Programme – so attending the day gives you the chance to experience what this programme can give you and how we work to facilitate your learning.

Attending this day will give you:

- The opportunity to take a closer look at your approach to leadership.
- An exploration of your own and others' 'patterns of thinking' that are a core part of your leadership map.
- Development of your flexibility to influence others, particularly those with a different style!
- An introduction to the powerful and practical model of Neuro Linguistic Programming (NLP) applied to leadership.
- An energising and thought provoking experience!

Introduction to **Leadership and Life with Integrity** is taking place on April 26; May 16; 14 June; 13 July and 6 September 2018 and will be facilitated by Sharon Milroy (*Course Director for Leadership and Life with Integrity*) in the beautiful village of Eversholt in Bedfordshire, from 9.30a.m. to 4.30p.m.

After the day you can choose if **Introduction to Leadership and Life with Integrity** is all you need now or if your learning gives you the appetite for the fully certificated practitioner course **Leadership and Life with Integrity**. Either way we would be delighted to have your presence and help you explore what's right for you.

The cost is £199 plus VAT for the day which includes refreshments, lunch and materials. If you are not claiming the costs back from a company or sponsor the VAT element for the day will be refunded by Fields of Learning.
